It was all very much appreciated. The bone in my leg is healing nicely. I can put some weight on the foot after not walking in over 2 months. It takes time to learn to walk again. ## PRAYER REMINDERS

1. Giving to the offering today for the ministry at Rockingham County Jail, reminds us to LIFT up this important work in prayer. PRAY for Chaplain Baker Rigg as he ministers to the inmates. PRAY that hunger for God that he has been seeing among them would continue and intensify!

2. What a privilege to have "Raleigh and Opal" in our midst today, mission workers that DMC supports regularly. ASK God that through their sharing He would strengthen our commitment to intercede faithfully for them as they serve among an unreached people in a sensitive African nation.

3. INDIA is the most unreached country in the world (pop. more than a billion!). PRAY that God would overturn the Enemy's plans to silence the Gospel through persecution.

4. On Friday, June 13, Kandace Glenn and Nico Valdano Sitorus were united in marriage in an online civil ceremony in Cambodia. Nico is a committed Indonesian believer, working in Cambodia where they met. Future Christian wedding ceremonies are planned in both USA and Indonesia. Please PRAY for them as this new chapter begins in their lives! (See Kandace's recent newsletter to her MST and friends here at DMC).

5. LIFT up those in charge of planning/organizing the VBS for children next week at DMC – leadership, staff, teachers and assistants! PRAY for wisdom and guidance for the organizers, love and patience for the teachers, excitement, joy, and open hearts for the children who participate!
